Dear Sirs,

Re: Recommended cash offer for e2v technologies plc ("e2v") by Teledyne Technologies Incorporated ("Teledyne"), through its wholly-owned subsidiary, Rhombi Holdings Limited.

We refer to the recommended proposal made by Teledyne on 12 December 2016 to acquire the entire issued and to be issued share capital of e2v (the "Proposal"). In particular, we refer to the scheme document (the "Scheme Document") relating to the Proposal, proposed to be published on or around 20 December 2016.

We hereby consent to the inclusion of the references to our name in the Scheme Document, in the form and the context in which they appear therein. We also hereby consent to the inclusion of the references to our name in the letters that will be sent by e2v to participants in the e2v Share Schemes in the form and the context in which they appear therein.

We further consent to e2v making a copy of this letter available for viewing on its website and for inspection by Teledyne and any competing offeror or potential offeror within the City of London, from the date of the publication of the Scheme Document until the Scheme (as defined therein) is implemented, in accordance with Rule 26 of the Code.

Yours faithfully,

Christopher Baird
