The Board of e2v technologies plc (“**e2v**”) is pleased to announce the results of the Court Meeting and the General Meeting held earlier today at the offices of Investec Bank plc in connection with the recommended cash offer made by Teledyne Technologies Incorporated (“**Teledyne**”) for the entire issued and to be issued share capital of e2v (the “**Acquisition**”), to be implemented by means of a scheme of arrangement under Part 26 of the Companies Act 2006 (the “**Scheme**”). A scheme circular was published by e2v on 21 December 2016 (the “**Scheme Document**”).

Next Steps

The Scheme remains subject to the satisfaction or (where capable of being waived) waiver of the other Conditions to the Acquisition as set out in Part III of the Scheme Document, including the Court sanctioning the Scheme at the Court Hearing which is expected to take place on 21 March 2017.

Subject to unconditional antitrust and regulatory clearance and the remaining conditions being satisfied or (where applicable) waived, the Scheme is expected to become effective on 22 March 2017.

Thereafter, suspension of dealings in e2v Shares on the London Stock Exchange's main market for listed securities is expected to take place at 7.30am on 22 March 2017 and de-listing of e2v Shares on the premium listing segment of the Official List of the UK Listing Authority and cancellation of the admission of e2v Shares to trading on the London Stock Exchange's main market for listed securities are each subsequently expected to occur by 8:00 am on 23 March 2017.

The expected timetable for implementation of the Scheme remains as set out on page 11 of the Scheme Document. If any of the expected dates change, e2v will, unless the Panel otherwise directs, give notice of the change by issuing an announcement through a regulatory information service.

The statements contained in this Announcement are made as at the date of this Announcement, unless some other time is specified in relation to them, and service of this Announcement shall not give rise to any implication that there has been no change in the facts set out in this Announcement since such date.

Overseas shareholders

The laws of certain jurisdictions may affect the availability of the Acquisition to persons who are not resident in the United Kingdom. Persons who are not resident in the United Kingdom, or who are subject to laws of any jurisdiction other than the United Kingdom, should inform themselves about, and observe, any applicable requirements. Any person (including, without limitation, a nominee, trustee or custodian) who would, or otherwise intends to, forward this Announcement, the Scheme Document or any accompanying document to any jurisdiction outside the United Kingdom should refrain from doing so and seek appropriate professional advice before taking any action.

Any failure to comply with applicable legal or regulatory requirements may constitute a violation of the laws and/or regulations of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility and liability for the violation of such restrictions by any person.

The Acquisition will not be made, directly or indirectly, in or into or by use of the mails or any other means or instrumentality (including, without limitation, telephonic or electronic) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of, a Restricted Jurisdiction, and no person may vote in favour of the Acquisition by any such use, means, instrumentality or facility or from within a Restricted Jurisdiction. The Acquisition relates to the shares of an English company and it is proposed to be made by means of a scheme of arrangement provided for under the laws of England and Wales. The Scheme will relate to the shares of an English company that is a "foreign private issuer" as defined under Rule 3b-4 under the US Exchange Act. A transaction effected by means of a scheme of arrangement is not subject to the shareholder vote, proxy solicitation and tender offer rules under the US Exchange Act. Accordingly, the Scheme will be subject to the disclosure requirements and practices applicable in the UK to schemes of arrangement, which differ from the disclosure requirements and practices of US shareholder vote, proxy solicitation and tender offer rules. Financial information included in the relevant documentation will have been prepared in accordance with accounting standards applicable in the UK and may not be comparable to the financial statements of US companies.

However, if Teledyne Bidco were to elect to implement the Acquisition by means of a Takeover Offer, such Takeover Offer will be made in compliance with all applicable laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such Takeover Offer would be made in the US by Teledyne Bidco and no one else. In addition to any such Takeover Offer, Teledyne Bidco, certain affiliated companies and their nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in e2v outside such Takeover Offer during the period in which such Takeover Offer would remain open for acceptance. If such purchases or arrangements to purchase are made, they would be made outside the United

States in compliance with applicable law, including the US Exchange Act.

Right to switch to a Takeover Offer

Teledyne Bidco reserves the right to elect, with the consent of the Takeover Panel, to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued ordinary share capital of e2v as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms or, if Teledyne Bidco so decides (with the consent of the Takeover Panel), on such other terms being no less favourable (subject to appropriate amendments), so far as applicable, as those which would apply to the Scheme.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person’s interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the

offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror, and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on

the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified.
