Product Replacement:

None planned.

Reason for Discontinuance:

As part of e2v's ongoing review of its product portfolio, the affected products have been identified for obsolescence.

Last Time Buy Date:

Orders for the affected product(s) will be accepted until 31 March 2013 subject to e2v receiving a written request for quotation before 30 November 2012.

Last Ship Date:

Last delivery of the affected product(s) will be advised with order acknowledgements.

Responses and queries:

No response is required to this notification. However, any response or query affecting demand for affected product(s) not received before the Last Time Buy Date cannot be accommodated.

Please use our online enquiry page, <http://www.e2v.com/enquiries/>.

Warranty:

e2v will make provision for warranty to cover all product supplied up to the Last Ship Date, and will offer replacement or credit pro rata to the remaining warranty term, subject to continuing availability. Replacement will not be offered where that would require new manufacture after the Last Ship Date.

Repairs:

Repairs may be performed within the warranty period, and beyond that subject to the terms and conditions of contracts entered into prior to the Last Time Buy Date.

This Information is provided solely in connection with [the product specified in this document [Ref: No/Name]. The supply of the Product [again clearly reference product name & number] shall be subject to e2v's General Terms and Conditions of Sale or any specific contractual terms agreed in writing between the parties. All warranties, conditions and other terms implied by statute or common law are excluded to the fullest extent permitted by law.
