

Teledyne e2v Web Privacy Policy

This privacy policy explains how we use any personal information we collect about you when you use this website.

Topics:

- What information do we collect about you?
- How will we use the information about you?
- Marketing
- Access to your information and correction
- Cookies
- Other websites
- Changes to our privacy policy
- How to contact us

What information do we collect about you?

We collect information about you when you register with us or enquire about products or services. We also collect information when you voluntarily complete customer surveys or provide feedback. Website usage information is collected using cookies.

How will we use the information about you?

We collect information about you to manage your account, if you have one, and if you agree, to email you about other products and services we think may be of interest to you. We use your information collected from the website to personalise your repeat visits to our website.

If you agree, we shall pass on your personal information to other groups within Teledyne e2v so that they may offer you their products and services. Teledyne e2v will not share your information for marketing purposes with companies outside of Teledyne e2v.

Marketing

We would like to send you information about products and services of ours and other groups within our company which may be of interest to you. If you have consented to receive marketing updates, you may opt out at a later date.

You have a right at any time to stop us from contacting you for marketing purposes or giving your information to other members of the Teledyne e2v group.

If you no longer wish to be contacted for marketing purposes, please [click here](#).

Access to your information and correction

You have the right to request a copy of the information that we hold about you. If you would like a copy of some or all of your personal information, please email or write to us at the following address.

We want to make sure that your personal information is accurate and up to date. You may ask us to correct or remove information you think is inaccurate.

Cookies

Cookies are text files placed on your computer to collect standard internet log information and visitor behaviour information. This information is used to track visitor use of the website and to compile statistical reports on website activity. For further information visit:

<http://www.aboutcookies.org> or www.allaboutcookies.org.

You can set your browser not to accept cookies and the above websites tell you how to remove cookies from your browser. However, in few cases some of our website features may not function as a result.

Other websites

Our website contains links to other websites. This privacy policy only applies to this website so when you link to other websites you should read their own privacy policies.

Changes to our privacy policy

We keep our privacy policy under regular review and we will place any updates on this web page.

How to contact us
